2027 Conference Sponsor Packet *Building Skills, Sustaining Tomorrow!*

The 2027 Mississippi Environmental Education Alliance (MEEA) Annual Conference will be held at Mississippi Museum of Natural Science, Jackson, MS on February 24 – 25, 2027.

The Mississippi Environmental Education Alliance (MEEA) mission is, “Through a coalition of support, we promote formal and informal environmental education throughout Mississippi by sharing resources, facilitating networking, and encouraging stewardship”. Our vision is, “A state where all persons in Mississippi connect with nature and promote environmental stewardship”.

We anticipate attendees will include all types of educators (formal, non-formal parent and pre-service) from across the state. Our conference attendees are educated consumers who are happy to support green companies and industry and educational organizations.

Each sponsorship level includes varying levels of benefits. See the details for each level to decide which sponsorship level is right for your organization. We appreciate your consideration and support for the field of environmental education! Please contact Deb Veeder at meeainms@gmail.com with questions or for additional information.
